

## CARATTERISTICHE PRINCIPALI

- ✓ FACILE MONTAGGIO
- ✓ RETE DOPPIA APERTURA
- ✓ VANO CONTENITORE

## MAIN FEATURES

- ✓ EASY ASSEMBLY
- ✓ DOUBLE-OPENING NET
- ✓ STORAGE COMPARTMENT

Il letto Cleopatra è la perfetta combinazione tra eleganza e utilità. Linee raffinate nascondono un ampio e utile vano contenitore.

Il meccanismo della rete ha due modalità di apertura. La prima consente di sistemare le lenzuola senza doversi piegare, mentre la seconda permette di utilizzare il vano contenitore.

The Cleopatra bed is the perfect combination of elegance and utility. Refined lines conceal a large and useful storage compartment.

The bed base mechanism has two opening modes. The first allows the sheets to be placed without folding, while the second allows the storage compartment to be used.
