

Tra arte e design, tra eleganza e tradizione nasce il modello FLAMINIA. Un divano sofisticato contraddistinto dalla forma sinuosa del bracciolo che gli regala un design esclusivo.

La ricercatezza dei dettagli è evidenziata dal frontale del bracciolo che accompagna le linee morbide dei cuscini dello schienale. Si inserisce in ambienti tradizionali così come in quelli più moderni, impreziosendoli e donandogli armonia. Dall'aspetto imperiale se rivestito in tessuto broccato o velluto, dal carattere più deciso e imponente se si preferisce la vera pelle.

*Between art and design, between elegance and tradition comes the FLAMINIA model. A sophisticated sofa distinguished by the sinuous shape of the armrest that gives it an exclusive design.*

*The refinement of the details is highlighted by the front of the armrest that accompanies the soft lines of the back cushions. It fits into traditional as well as more modern settings, embellishing them and giving them harmony. With an imperial look if covered in brocade fabric or velvet, with a more decisive and imposing character if real leather is preferred.*
